## Nutrition education program

---

### **(a) Definition of 1862 Institution and 1890 Institution**

In this section, the terms “1862 Institution” and “1890 Institution” have the meaning given those terms in section 7601 of this title.

### **(b) Establishment**

The Secretary shall establish a national education program which shall include, but not be limited to, the dissemination of the results of food and human nutrition research performed or funded by the Department of Agriculture.

### **(c) Employment and training**

To enable low-income individuals and families to engage in nutritionally sound food purchasing and preparation practices, the expanded food and nutrition education program presently conducted under section 343(d) of this title, shall provide for the employment and training of professional and paraprofessional aides to engage in direct nutrition education of low-income families and in other appropriate nutrition education programs. To the maximum extent practicable, program aides shall be hired from the indigenous target population.
