## Congressional findings and declaration of purpose

---

(a) Congress finds that—

- (1) pork and pork products are basic foods that are a valuable and healthy part of the human diet;
- (2) the production of pork and pork products plays a significant role in the economy of the United States because pork and pork products are—
  - (A) produced by thousands of producers, including many small- and medium-sized producers; and
  - (B) consumed by millions of people throughout the United States on a daily basis;
- (3) pork and pork products must be available readily and marketed efficiently to ensure that the people of the United States receive adequate nourishment;
