

7 U.S. Code § 5234

Cooperator organizations

(a) Sense of Congress

It is the sense of Congress that the foreign market development cooperator program of the Service, and the activities of individual foreign market cooperator organizations, have been among the most successful and cost-effective means to expand United States agricultural exports. Congress affirms its support for the program and the activities of the cooperator organizations. The Administrator and the private sector should work together to ensure that the program, and the activities of cooperator organizations, are expanded in the future.
