## Foreign trade missions

---

### **(a) Tribal representation on trade missions**

#### **(1) In general**

The Secretary, in consultation with the Tribal Advisory Committee established under subsection (b)(2) of section 6921 of this title (referred to in this section as the “Advisory Committee”), shall seek—

- (A) to support the greater inclusion of Tribal agricultural and food products in Federal trade-related activities; and
- (B) to increase the collaboration between Federal trade promotion efforts and other Federal trade-related activities in support of the greater inclusion sought under subparagraph (A).
