## Findings, purposes, and limitations

---

### **(a) Findings**

Congress finds that—

- (1) domestically produced limes are grown by many individual producers;
- (2) virtually all domestically produced limes are grown in the States of Florida and California;
- (3) limes move in interstate and foreign commerce, and limes that do not move in such channels of commerce directly burden or affect interstate commerce in limes;
- (4) in recent years, large quantities of limes have been imported into the United States;
