## Findings and declaration of policy

---

### **(a) Findings**

Congress finds that—

- (1) soybeans are an important source of nutritious foods that are a valuable part of the human diet and are an important feedstuff for the livestock industry;
- (2) the production of soybeans plays a significant role in the economy of the United States in that soybeans are produced by thousands of soybean producers, processed by numerous processing entities, and soybeans and soybean products produced in the United States are consumed by people and livestock throughout the United States and foreign countries;
- (3) soybeans and soybean products should be readily available and marketed efficiently to ensure that consumers have an adequate supply of soybean products at a reasonable price;
