

# 15 U.S. Code § 1022e

---

## Inflation

---

### **(a) Methods and requirements for achieving price stability**

The Congress determines that the objective of achieving reasonable price stability as soon as feasible, as set forth in section 1022(a)(3) of this title and section 1022a(a) of this title, shall be pursued by the methods and subject to the requirements of section 1022b(b) of this title.
