

15 U.S. Code § 1141j

Dependence of extension of protection to the United States on the underlying international registration

(a) Effect of cancellation of international registration

If the International Bureau notifies the United States Patent and Trademark Office of the cancellation of an international registration with respect to some or all of the goods and services listed in the international registration, the Director shall cancel any extension of protection to the United States with respect to such goods and services as of the date on which the international registration was canceled.
