

15 U.S. Code § 1472

Special packaging standards

(a) Establishment

The Commission,^[1] may establish in accordance with the provisions of this Act, by regulation, standards for the special packaging of any household substance if it finds that—

- (1) the degree or nature of the hazard to children in the availability of such substance, by reason of its packaging, is such that special packaging is required to protect children from serious personal injury or serious illness resulting from handling, using, or ingesting such substance; and
- (2) the special packaging to be required by such standard is technically feasible, practicable, and appropriate for such substance.
