# 15 U.S. Code § 636h

---

## Disaster planning responsibilities

---

### **(a) Assignment of Small Business Administration disaster planning responsibilities**

The disaster planning function of the Administration shall be assigned to an individual appointed by the Administrator who—

- (1) is not an employee of the Office of Disaster Assistance of the Administration;
- (2) has proven management ability;
- (3) has substantial knowledge in the field of disaster readiness and emergency response; and
- (4) has demonstrated significant experience in the area of disaster planning.
