
15 U.S. Code § 636k

Reports on disaster assistance

(a) Monthly accounting report to Congress

(1) Reporting requirements

Not later than the fifth business day of each month during the applicable period for a major disaster, the Administrator shall submit to the Committee on Small Business and Entrepreneurship and the Committee on Appropriations of the Senate and to the Committee on Small Business and the Committee on Appropriations of the House of Representatives a report on the operation of the disaster loan program authorized under section 636 of this title for that major disaster during the preceding month.

(2) Contents

Each report submitted under paragraph (1) shall include—

- (A) the daily average lending volume, in number of loans and dollars, and the percent by which each category has increased or decreased since the previous report under paragraph (1);
- (B) the weekly average lending volume, in number of loans and dollars, and the percent by which each category has increased or decreased since the previous report under paragraph (1);
- (C) the amount of funding spent over the month for loans, both in appropriations and program level, and the percent by which each category has increased or decreased since the previous report under paragraph (1);
- (D) the amount of funding available for loans, both in appropriations and program level, and the percent by which each category has increased or decreased since the previous report under paragraph (1), noting the source of any additional funding;
- (E) an estimate of how long the available funding for such loans will last, based on the spending rate;
- (F) the amount of funding spent over the month for staff, along with the number of staff, and the percent by which each category has increased or decreased since the previous report under paragraph (1);
- (G) the amount of funding spent over the month for administrative costs, and the percent by which such spending has increased or decreased since the previous report under paragraph (1);
- (H) the amount of funding available for salaries and expenses combined, and the percent by which such funding has increased or decreased since the previous report under paragraph (1), noting the source of any additional funding; and
- (I) an estimate of how long the available funding for salaries and expenses will last, based on the spending rate.
