Definitions; promotion of efficiency, competition, and capital formation

(a) Definitions

When used in this subchapter, unless the context otherwise requires—

(1) The term “security” means any note, stock, treasury stock, security future, security-based swap, bond, debenture, evidence of indebtedness, certificate of interest or participation in any profit-sharing agreement, collateral-trust certificate, preorganization certificate or subscription, transferable share, investment contract, voting-trust certificate, certificate of deposit for a security, fractional undivided interest in oil, gas, or other mineral rights, any put, call, straddle, option, or privilege on any security, certificate of deposit, or group or index of securities (including any interest therein or based on the value thereof), or any put, call, straddle, option, or privilege entered into on a national securities exchange relating to foreign currency, or, in general, any interest or instrument commonly known as a “security”, or any certificate of interest or participation in, temporary or interim certificate for, receipt for, guarantee of, or warrant or right to subscribe to or purchase, any of the foregoing.

(2) The term “person” means an individual, a corporation, a partnership, an association, a joint-stock company, a trust, any unincorporated organization, or a government or political subdivision thereof. As used in this paragraph the term “trust” shall include only a trust where the interest or interests of the beneficiary or beneficiaries are evidenced by a security.

(3) The term “sale” or “sell” shall include every contract of sale or disposition of a security or interest in a security, for value. The term “offer to sell”, “offer for sale”, or “offer” shall include every attempt or offer to dispose of, or solicitation of an offer to buy, a security or interest in a security, for value. The terms defined in this paragraph and the term “offer to buy” as used in subsection (c) of section 77e of this title shall not include preliminary negotiations or agreements between an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer) and any underwriter or among underwriters who are or are to be in privity of contract with an issuer (or any person directly or indirectly controlling or controlled by an issuer, or under direct or indirect common control with an issuer). Any security given or delivered with, or as a bonus on account of, any purchase of securities or any other thing, shall be conclusively presumed to constitute a part of the subject of such purchase and to have been offered and sold for value. The issue or transfer of a right or privilege, when originally issued or transferred with a security, giving the holder of such security the right to convert such security into another security of the same issuer or of another person, or giving a right to subscribe to another security of the same issuer or of another person, which right cannot be exercised until some future date, shall not be deemed to be an offer or sale of such other security; but the issue or transfer of such other security upon the exercise of such right of conversion or subscription shall be deemed a sale of such other security. Any offer or sale of a security futures product by or on behalf of the issuer of the securities underlying the security futures product, an affiliate of the issuer, or an underwriter, shall constitute a contract for sale of, sale of, offer for sale, or offer to sell the underlying securities. Any offer or sale of a security-based swap by or on behalf of the

issuer of the securities upon which such security-based swap is based or is referenced, an affiliate of the issuer, or an underwriter, shall constitute a contract for sale of, sale of, offer for sale, or offer to sell such securities. The publication or distribution by a broker or dealer of a research report about an emerging growth company that is the subject of a proposed public offering of the common equity securities of such emerging growth company pursuant to a registration statement that the issuer proposes to file, or has filed, or that is effective shall be deemed for purposes of paragraph (10) of this subsection and section 77e(c) of this title not to constitute an offer for sale or offer to sell a security, even if the broker or dealer is participating or will participate in the registered offering of the securities of the issuer. As used in this paragraph, the term “research report” means a written, electronic, or oral communication that includes information, opinions, or recommendations with respect to securities of an issuer or an analysis of a security or an issuer, whether or not it provides information reasonably sufficient upon which to base an investment decision.
