

15 U.S. Code § 782

Petrochemical report to Congress

(a) Scope of report

Within ninety days after he has entered upon the office of Administrator or has been designated by the President to act in such office, the Administrator, or acting Administrator, as the case may be, with the assistance of the Department of Commerce, the Cost of Living Council, and the United States International Trade Commission shall, by written report, inform the Congress as to the—
