

15 U.S. Code § 78o-9

Study and rulemaking on assigned credit ratings

(a) Definition

In this section, the term “structured finance product” means an asset-backed security, as defined in section 3(a)(77) ⁽¹⁾ of the Securities Exchange Act of 1934 [15 U.S.C. 78c(a)(79)], as added by section 941, and any structured product based on an asset-backed security, as determined by the Commission, by rule.

(b) Study

The Commission shall carry out a study of—
