

# 15 U.S. Code § 80a-47

---

## Liability of controlling persons; preventing compliance with subchapter

---

### **(a) Procurement**

It shall be unlawful for any person, directly or indirectly, to cause to be done any act or thing through or by means of any other person which it would be unlawful for such person to do under the provisions of this subchapter or any rule, regulation, or order thereunder.
