

15 U.S. Code § 80a-39

Procedure for issuance of orders

(a) Notice and hearing

Orders of the Commission under this subchapter shall be issued only after appropriate notice and opportunity for hearing. Notice to the parties to a proceeding before the Commission shall be given by personal service upon each party or by registered mail or certified mail or confirmed telegraphic notice to the party's last known business address. Notice to interested persons, if any, other than parties may be given in the same manner or by publication in the Federal Register.
