## Inspector General audits and reports

---

### **(a) Improvements by the Commission**

The Inspector General of the Commission shall conduct reviews and audits to assess—

- (1) the Commission’s capital improvement efforts, including improvements and upgrades of the Commission’s information technology architecture and systems and the development of the database of publicly available information on incidents involving injury or death required under section 2055a of this title, as added by section 212 of this Act; and
- (2) the adequacy of procedures for accrediting conformity assessment bodies as authorized by section 2063(a)(3) of this title, as amended by this Act, and overseeing the third party testing required by such section.
