
15 U.S. Code § 2078

Cooperation with States and other Federal agencies

(a) Programs to promote Federal-State cooperation

The Commission shall establish a program to promote Federal-State cooperation for the purposes of carrying out this chapter. In implementing such program the Commission may—

- (1) accept from any State or local authorities engaged in activities relating to health, safety, or consumer protection assistance in such functions as injury data collection, investigation, and educational programs, as well as other assistance in the administration and enforcement of this chapter which such States or localities may be able and willing to provide and, if so agreed, may pay in advance or otherwise for the reasonable cost of such assistance, and
- (2) commission any qualified officer or employee of any State or local agency as an officer of the Commission for the purpose of conducting examinations, investigations, and inspections.
