

15 U.S. Code § 2507

Contracts

(a) Research, development, and demonstration

The Secretary of Energy shall provide funds, by contract, to initiate, continue, supplement, and maintain research, development, and demonstration activities which are necessary to carry out the purposes of the project. The Secretary of Energy may enter into such contracts with any Federal agency, laboratory, university, nonprofit organization, industrial organization, public or private agency, institution, organization, corporation, partnership, or individual.
