(a) Submission

Within 720 days after October 22, 1986 (or within 810 days if there are no regulations under section 2643(i) of this title), a local educational agency shall submit a management plan developed pursuant to regulations promulgated under section 2643(i) of this title (or under section 2644(d) of this title if there are no regulations) to the Governor of the State in which the local educational agency is located.

(b) Governor requirements

Within 360 days after October 22, 1986, the Governor of each State—

- (2) may establish administrative procedures for reviewing management plans submitted under this section.

If the Governor establishes procedures under paragraph (2), the Governor shall designate to carry out the reviews those State officials who are responsible for implementing environmental protection or other public health programs, or with authority over asbestos programs, in the State.

(c) Management plan review

(1) Review of plan

The Governor may disapprove a management plan within 90 days after the date of receipt of the plan if the plan—

- (A) does not conform with the regulations under section 2643(i) of this title (or with section 2644(d) of this title if there are no regulations),
- (B) does not assure that contractors who are accredited pursuant to this subchapter will be used to carry out the plan, or
- (C) does not contain a response action schedule which is reasonable and timely, taking into account circumstances relevant to the speed at which the friable asbestos-containing material in the school buildings under the local educational agency's authority should be responded to, including human exposure to the asbestos while the friable asbestos-containing material remains in the school building, and the ability of the local educational agency to continue to provide educational services to the community.
