## Reports respecting standards

---

### **(a) State authorities and nonregulated utilities**

Not later than 1 year after November 9, 1978, and annually thereafter for 10 years, each State regulatory authority (with respect to each gas utility for which it has ratemaking authority), and each nonregulated gas utility, shall report to the Secretary, in such manner as the Secretary shall prescribe, respecting its consideration of the standards established by this chapter. Such report shall include a summary of the determinations made and actions taken with respect to each of such standards on a utility-by-utility basis.
