
15 U.S. Code § 3803

Duties of Secretary of Energy

(a) Designation of management entity for program

The Secretary shall designate prior to February 1, 1981, an appropriate organizational entity within the Department of Energy to manage the methane vehicle research, development, and demonstration program.

(b) Monitoring and management of program; agreements with other Federal departments and agencies

The Secretary shall have the responsibility for monitoring and assuring proper management of the program. The Secretary may enter into agreements or arrangements with the National Aeronautics and Space Administration, the Department of Transportation, the Environmental Protection Agency, or any other Federal department or agency, pursuant to which such department or agency shall conduct specified parts or aspects of the program as the Secretary deems necessary or appropriate and within the particular competence of such agency, to the extent that such agency has capabilities which would enable it to contribute to the success of the program and attainment of the purposes of this chapter.
