

# 15 U.S. Code § 4306

---

## Application of section 4303 protections to production of products, processes, and services

---

Notwithstanding sections 4303 and 4305 of this title, the protections of section 4303 of this title shall not apply with respect to a joint venture's production of a product, process, or service, as referred to in section 4301(a)(6) (D) of this title, unless—
