

15 U.S. Code § 5701

Short title; findings

(a) Short title

This chapter may be cited as the “Telephone Disclosure and Dispute Resolution Act”.

(b) Findings

The Congress finds the following:

- (1) The use of pay-per-call services, most commonly through the use of 900 telephone numbers, has grown exponentially in the past few years into a national, billion-dollar industry as a result of recent technological innovations. Such services are convenient to consumers, cost-effective to vendors, and profitable to communications common carriers.
