

15 U.S. Code § 6603

Application of chapter

(a) General rule

This chapter applies to any Y2K action brought after January 1, 1999, for a Y2K failure occurring before January 1, 2003, or for a potential Y2K failure that could occur or has allegedly caused harm or injury before January 1, 2003, including any appeal, remand, stay, or other judicial, administrative, or alternative dispute resolution proceeding in such an action.

(b) No new cause of action created

Nothing in this chapter creates a new cause of action, and, except as otherwise explicitly provided in this chapter, nothing in this chapter expands any liability otherwise imposed or limits any defense otherwise available under Federal or State law.

(c) Claims for personal injury or wrongful death excluded

This chapter does not apply to a claim for personal injury or for wrongful death.

(d) Warranty and contract preservation

(1) In general

Subject to paragraph (2), in any Y2K action any written contractual term, including a limitation or an exclusion of liability, or a disclaimer of warranty, shall be strictly enforced unless the enforcement of that term would manifestly and directly contravene applicable State law embodied in any statute in effect on January 1, 1999, specifically addressing that term.
