

15 U.S. Code § 6614

Y2K actions as class actions

(a) Material defect requirement

A Y2K action involving a claim that a product or service is defective may be maintained as a class action in Federal or State court as to that claim only if—

- (1) it satisfies all other prerequisites established by applicable Federal or State law, including applicable rules of civil procedure; and
- (2) the court finds that the defect in a product or service as alleged would be a material defect for the majority of the members of the class.
