

15 U.S. Code § 6827

Definitions

For purposes of this subchapter, the following definitions shall apply:

(1) Customer

The term “customer” means, with respect to a financial institution, any person (or authorized representative of a person) to whom the financial institution provides a product or service, including that of acting as a fiduciary.

(2) Customer information of a financial institution

The term “customer information of a financial institution” means any information maintained by or for a financial institution which is derived from the relationship between the financial institution and a customer of the financial institution and is identified with the customer.
