

# 15 U.S. Code § 8325

---

## International harmonization

---

(a) In order to promote effective and consistent global regulation of swaps and security-based swaps, the Commodity Futures Trading Commission, the Securities and Exchange Commission, and the prudential regulators (as that term is defined in section 1a(39) of title 7), as appropriate, shall consult and coordinate with foreign regulatory authorities on the establishment of consistent international standards with respect to the regulation (including fees) of swaps, security-based swaps, swap entities, and security-based swap entities and may agree to such information-sharing arrangements as may be deemed to be necessary or appropriate in the public interest or for the protection of investors, swap counterparties, and security-based swap counterparties.
