## Commercial motor vehicles required to stop for inspections

---

(a) A driver of a commercial motor vehicle (as defined in section 31132 of title 49) shall stop and submit to inspection of the vehicle, driver, cargo, and required records when directed to do so by an authorized employee of the Federal Motor Carrier Safety Administration of the Department of Transportation, at or in the vicinity of an inspection site. The driver shall not leave the inspection site until authorized to do so by an authorized employee.
