

# 21 U.S. Code § 350e

---

## Sanitary transportation practices

---

### **(a) Definitions**

In this section:

#### **(1) Bulk vehicle**

The term “bulk vehicle” includes a tank truck, hopper truck, rail tank car, hopper car, cargo tank, portable tank, freight container, or hopper bin, and any other vehicle in which food is shipped in bulk, with the food coming into direct contact with the vehicle.

#### **(2) Transportation**

The term “transportation” means any movement in commerce by motor vehicle or rail vehicle.
