

21 U.S. Code § 350i

Protection against intentional adulteration

(a) Determinations

(1) In general

The Secretary shall—

- (A) conduct a vulnerability assessment of the food system, including by consideration of the Department of Homeland Security biological, chemical, radiological, or other terrorism risk assessments;
- (B) consider the best available understanding of uncertainties, risks, costs, and benefits associated with guarding against intentional adulteration of food at vulnerable points; and
- (C) determine the types of science-based mitigation strategies or measures that are necessary to protect against the intentional adulteration of food.
