

## 21 U.S. Code § 858

---

### Endangering human life while illegally manufacturing controlled substance

---

Whoever, while manufacturing a controlled substance in violation of this subchapter, or attempting to do so, or transporting or causing to be transported materials, including chemicals, to do so, creates a substantial risk of harm to human life shall be fined in accordance with title 18 or imprisoned not more than 10 years, or both.
