

## 40 C.F.R. § 35.114

---

### Amendments and other changes.

---

The following provisions govern amendments and other changes to grant work plans and budgets after the work plan is negotiated and a grant awarded.

- (a) *Changes requiring prior approval.* Recipients may make significant changes in work plan commitments only after obtaining the Regional Administrator's prior written approval. EPA, in consultation with the recipient, will document these revisions including budgeted amounts associated with the revisions.
