

40 C.F.R. § 35.4185

What does my group do with reports our technical advisor prepares for us?

You must send to EPA a copy of each final written product your advisor prepares for you as part of your TAG. We will send them to the local Superfund site information repository(ies) where all site-related documents are available to the public.

This document is only available to subscribers. Please [log in](#) or [purchase access](#).
