

40 C.F.R. § 35.6315

Alternative methods for obtaining property.

- (a) *Purchase equipment with recipient funds.* The recipient may purchase equipment with the recipient's own funds and may charge EPA a fee for using equipment on a CERCLA-funded project. The fee must be based on a usage rate, subject to the usage rate requirements in § 35.6320.
- (b) *Borrow federally owned property.* The recipient may borrow federally owned property, with the exception of motor vehicles, for use on CERCLA-funded projects. The loan of the federally owned property may only extend through the project period. At the end of the project period, or when the federally owned property is no longer needed for the project, the recipient must return the property to the Federal Government.
