
40 C.F.R. § 51.367

Inspector training and licensing or certification.

All inspectors shall receive formal training and be licensed or certified to perform inspections.

(a) *Training.* (1) Inspector training shall impart knowledge of the following:

- (i) The air pollution problem, its causes and effects;
- (ii) The purpose, function, and goal of the inspection program;
- (iii) Inspection regulations and procedures;
- (iv) Technical details of the test procedures and the rationale for their design;
- (v) Emission control device function, configuration, and inspection;
- (vi) Test equipment operation, calibration, and maintenance (with the exception of test procedures which either do not require the use of special equipment or which rely upon a vehicle's OBD system);
