

40 C.F.R. § 40.135-2

Application requirements.

All applications for research and demonstration grants shall be submitted to the Environmental Protection Agency, in accordance with 2 CFR 200.207.

(a) *Applications involving human subjects.* (1) Safeguarding the rights and welfare of human subjects involved in projects supported by EPA grants is the responsibility of the institution which receives or is accountable to EPA for the funds awarded for the support of the project.

(2) Institutions must submit to EPA, for review, approval, and official acceptance, a written assurance of its compliance with guidelines established by Department of Health, Education, and Welfare concerning protection of human subjects. However, institutions which have submitted and have had accepted, general assurance to DHEW under these guidelines will be considered as being in compliance with this requirement. These guidelines are provided in DHEW Publication No. (NIH) 72-102, the “Institutional Guide to DHEW Policy on Protection of Human Subjects.” Copies of this publication are available from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20420.
