  - (5) A description of date coding systems, clearly explaining how the date of manufacture is marked on each sales unit;
  - (6) An explanation of the product category codes that will be used on all required labels, or a statement that the default category codes in Table 1 of this subpart will be used;
  - (7) For each product category, an explanation of how the manufacturer, distributor, or importer will define a batch for the purpose of the recordkeeping requirements;
