How must I label and identify the portable fuel containers I produce?

This section describes how you must label your portable fuel containers.

- (a) At the time of manufacture, indelibly mark the month and year of manufacture on each container.
- (b) Mold into or affix a legible label identifying each portable fuel container. The label must be:
 - (1) Attached so it is not easily removable.
 - (2) Secured to a part of the container that can be easily viewed when the can is in use, not on the bottom of the container.
 - (3) Written in English.
- (c) The label must include:
