## 40 C.F.R. § 59.628

---

### What records must I keep and what reports must I send to EPA?

---

(a) Organize and maintain the following records:

- (1) A copy of all applications and any other information you send us.
- (2) Any of the information we specify in § 59.623 that you were not required to include in your application.
- (3) A detailed history of each emission-data unit. For each emission-data unit, include all of the following:

(i) The emission-data unit's construction, including its origin and buildup, steps you took to ensure that it represents production containers, any components you built specially for it, and all the components you include in your application for certification.
