

## 40 C.F.R. § 60.4875

---

### By what date must I conduct the initial air pollution control device inspection and make any necessary repairs?

---

- (a) You must conduct an air pollution control device inspection according to § 60.4900(c) within 60 days of installing an air pollution control device or within 180 days of startup of the SSI unit using the air pollution control device, whichever comes first.
