

40 C.F.R. § 1037.231

Powertrain families.

- (a) If you choose to perform powertrain testing as specified in § 1037.550, use good engineering judgment to divide your product line into powertrain families that are expected to have similar fuel consumptions and CO₂ emission characteristics throughout the useful life. Your powertrain family is limited to a single model year.
- (b) Except as specified in paragraph (c) of this section, group powertrains in the same powertrain family if they share all the following attributes:
- (1) Engine family as specified in 40 CFR 1036.230.
 - (2) Shared vehicle service class grouping, as follows:
