
40 C.F.R. § 1042.345

Reporting.

- (a) Send us a test report within 45 days after you complete production-line testing for a Category 1 or Category 2 engine family, and within 45 days after you finish testing each Category 3 engine. We may approve a later submission for Category 3 engines if it allows you to combine test reports for multiple engines.
- (b) Include the following information in the report:
- (1) Describe any facility used to test production-line engines and state its location.
 - (2) For Category 1 and Category 2 engines, describe how you randomly selected engines.
 - (3) Describe each test engine, including the engine family's identification and the engine's model year, build date, model number, identification number, and number of hours of operation before testing. Also describe how you developed and applied the Green Engine Factor, if applicable.
