

40 C.F.R. § 1045.320

What happens if one of my production-line engines fails to meet emission standards?

- (a) If you have a production-line engine with final deteriorated test results exceeding one or more emission standards (see § 1045.315(a)), the certificate of conformity is automatically suspended for that failing engine. You must take the following actions before your certificate of conformity can cover that engine:
