

40 C.F.R. § 1048.250

What records must I keep and make available to EPA?

(a) Send the Designated Compliance Officer information related to your U.S.-directed production volumes as described in § 1048.345. In addition, within 45 days after the end of the model year, you must send us a report describing information about engines you produced during the model year as follows:

- (1) State the total production volume for each engine family that is not subject to reporting under § 1048.345.
- (2) State the total production volume for any engine family for which you produce engines after completing the reports required in § 1048.345.
- (3) For production volumes you report under this paragraph (a), identify whether or not the figures include California sales. Include a separate count of production volumes for California sales if those figures are available.
