

40 C.F.R. § 1048.401

What testing requirements apply to my engines that have gone into service?

- (a) If you produce engines that are subject to the requirements of this part, you must test them as described in this subpart. This generally involves testing engines in the field or removing them for measurement in a laboratory.
- (b) We may approve an alternate plan for showing that in-use engines comply with the requirements of this part if one of the following is true:
