
40 C.F.R. § 1051.130

What installation instructions must I give to vehicle manufacturers?

- (a) If you sell an engine for someone else to install in a piece of nonroad equipment, give the engine installer instructions for installing it consistent with the requirements of this part. Include all information necessary to ensure that an engine will be installed in its certified configuration.
- (b) Make sure these instructions have the following information:
 - (1) Include the heading: “Emission-related installation instructions”.
 - (2) State: “Failing to follow these instructions when installing a certified engine in a piece of nonroad equipment violates federal law (40 CFR 1068.105(b)), subject to fines or other penalties as described in the Clean Air Act.”.
