What production-line testing records must I send to EPA?

- (a) Within 30 calendar days of the end of each test period, send us a report with the following information:
- (1) Describe any facility used to test production-line vehicles or engines and state its location.
 - (2) State the total U.S.-directed production volume and number of tests for each engine family.
 - (3) Describe how you randomly selected vehicles or engines.
 - (4) Describe each test vehicle or engine, including the engine family's identification and the vehicle's model year, build date, model number, identification number, and number of hours of operation before testing.
 - (5) Identify how you accumulated hours of operation on the vehicles or engines and describe the procedure and schedule you used.
