

## 40 C.F.R. § 1054.10

---

### How is this part organized?

---

This part 1054 is divided into the following subparts:

- (a) Subpart A of this part defines the applicability of this part 1054 and gives an overview of regulatory requirements.
- (b) Subpart B of this part describes the emission standards and other requirements that must be met to certify engines under this part. Note that § 1054.145 discusses certain interim requirements and compliance provisions that apply only for a limited time.
