

## 40 C.F.R. § 1054.345

---

### What production-line testing records must I send to EPA?

---

(a) Within 45 days of the end of each test period, send us a report with the following information:

- (1) Describe any facility used to test production-line engines and state its location.
- (2) State the total U.S.-directed production volume and number of tests for each engine family.
- (3) Describe how you randomly selected engines.
- (4) Describe each test engine, including the engine family's identification and the engine's model year, build date, model number, identification number, and number of hours of operation before testing.
- (5) Identify how you accumulated hours of operation on the engines and describe the procedure and schedule you used.
